Air Conditioner Outdoor Units

Touching the lives of millions for more than 75 years.

Innovative, durable and highly efficient products are at the heart of Tecumseh. Our products touch the lives of millions every day, driving us as a leading global manufacturer of hermetic compressors and condensing units for residential, commercial refrigeration and air conditioning applications.

Today, we engineer a full-line of hermetically-sealed compressors for residential and specialty air conditioning segments. At home, work or play, our extensive line air conditioning reciprocating and rotary compressors fills the need for comfort. The Tecumseh application range covers from

residential to light commercial air conditioning and from residential heat pump to commercial heat pump.

Tecumseh has responded to the challenges of the air conditioning marketplace for over seven decades, leading the way with improved products and services. A company-wide dedication to quality control has already earned Tecumseh the highest quality rating from major air conditioning manufacturers. And the people we employ are honored to touch so many lives, in so many countries, every day.
